Please ask lots of questions. We want to help you understand your care.

**Stop us at any time during your visit and ask:**

- Please tell me more about \_\_\_\_\_?
- Please explain \_\_\_\_\_ in a different way to help me understand.
- I have questions and need you to spend time with me going through them.
- What can I expect with \_\_\_\_\_ [diagnosis, medicine, treatment]?
- I need help to understand this more clearly.
